

Parking Instructions

Bryan Cave Leighton Paisner LLP - Kansas City Office

Bryan Cave Leighton Paisner is located in downtown Kansas City, on the corners of 12th and Main and 12th and Baltimore. We are located in the building named One Kansas City Place. Parking is available in the One Kansas City Place parking garage.

Enter from Main Street, North of the Arvest Bank Theatre at the Midland. After taking a ticket and passing through the gate, make a right turn and then take an immediate turn left, going down to the sub-levels. Proceed down, traveling in a counter-clockwise direction to S-3 through S-5 where non-reserved spots should be available. Non-Reserved spots are unmarked, please feel free to park in any of these spots. Please do not park in any reserved spaces.

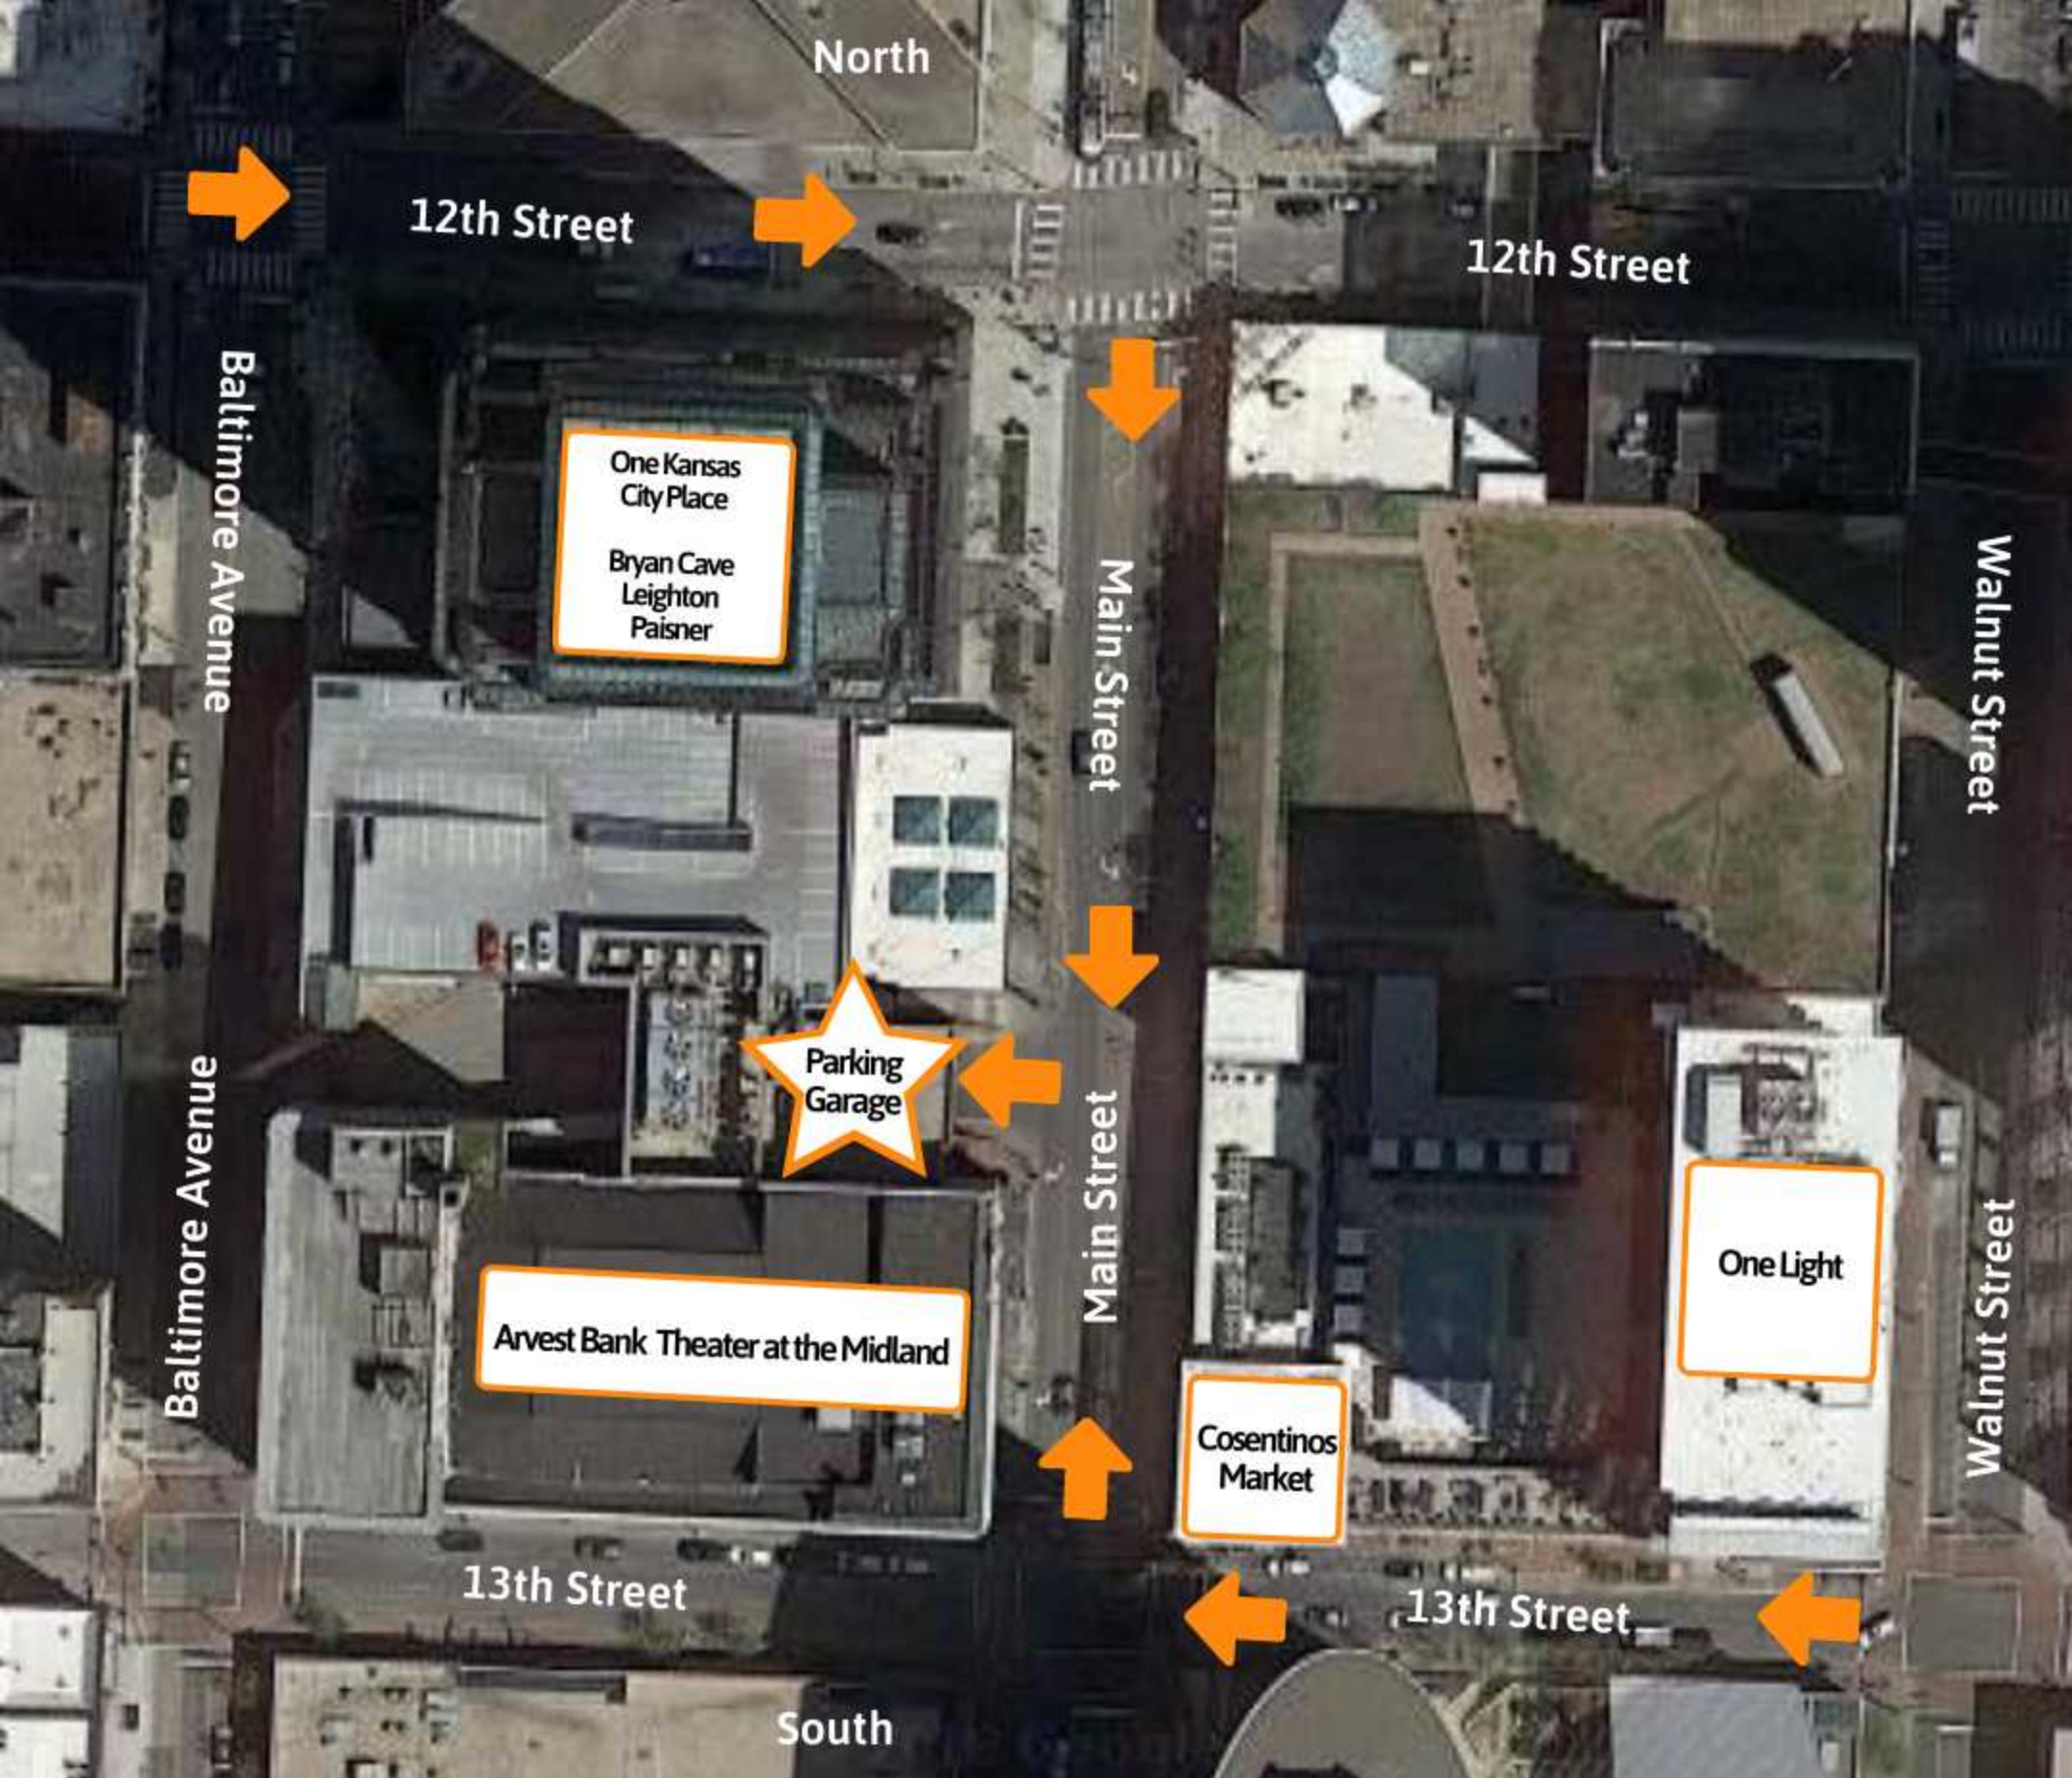

Proceed to the garage elevators and go to the 2nd floor "lobby". Use the first bank of elevators, allowing access to the 38th floor. Someone will be waiting on the floor to greet guests and direct you to your meeting location.

Please bring your parking ticket to the 38th floor for validation. Parking will be validated upon arrival.

If you have any questions, please contact Allison Dorr.
